## JUDAH 249 SUSPENSION BRACKET

---

The new Judah 249 Suspension Bracket is an addition to the KEY-LOCK® concealed ceiling system range.

- The 249 Suspension Bracket is the same as the 247 bracket
- Yet, it has a 9mm hole suitable to use with a 9mm screw type anchor, such as the Hilti HUS-H Screw Anchor
- Suitable for indoor, dry conditions
- The 9mm hole is suitable for both seismic and non-seismic anchors
- The bracket is available to order, lead times apply

For more information on the 249 Suspension Bracket, visit [www.Judah-Steel.com](http://www.Judah-Steel.com)
