NEW: DOUBLE PUNCHED NOGGING TRACK

The Judah Double Punched Nogging Track has been designed for use with back to back stud framing and with the Judah MAXIjamb® when it is used as a stud member. >>

Judah Steel
A VISION IS BORN

DOUBLE PUNCHED NOGGING TRACK

Available via special order, the Judah Double Punched Nogging Track is an addition to the Steel Stud and Track range and comes in 3", 3 5/8" and 6" Stud sizes.

Although previously available to order, Judah has further invested in the way the product is manufactured, making it even quicker and more cost effective to produce. The resulting cost savings have assisted its use in the current Sunshine Coast University Hospital Project.

For more information visit www.Judah-Steel.com, or call +1 352 328 1482 to speak with a Judah Technical Sales Representative.
